SECTION 3. PERSONNEL BOARD

(a) There shall be a Personnel Board consisting of seven unpaid members, responsible for the administration of the classification and compensation plans. One member shall be a member of the Board of Selectmen, one a member of the Finance Committee, one a Town employee of Watertown and four shall be citizens at large of the Town. Appointments to the Personnel Board shall be made by the Moderator.

(b) In making these appointments the Moderator shall give consideration to the personal qualifications of those citizens, who will best meet the responsibility of the Board to represent both Town employees and taxpayers. If possible, the make-up of the Board shall consist of members professionally qualified who are familiar with the principles and experienced in the methods and practices of labor relations and personnel administration.

(c) The terms of office of members of the Board shall be as follows: The member of the Board of Selectmen, the member of the Finance Committee and the member of the Town employees shall serve for a term of one year. One citizen to be appointed for a term of one year, and one citizen shall be appointed for a term of two years, and two citizens shall be appointed for terms of three years. Upon expiration of the first terms of said citizen members, their successors shall be appointed for terms of three years.

The members in office at the time of adoption of this by-law shall continue to hold office until their successors have been appointed and qualified.

(d) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(e) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary who shall be a member of the Board. A majority of the Board shall constitute a quorum for the transaction of business. A majority of the Board shall determine the action the Board must take in all matters which it is authorized or required to pass under this by-law.

(f) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds therefor. It shall appoint a clerk who shall not be a member of the Board.

(g) The clerk of the Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans.

(h) The Board from time to time, of its own motion, shall investigate the work features and rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(i) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(j) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and/or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

Initial employment in the library service in any of the professional positions or classifications included in Section 7 may be at rates above the minimum rate shown, when, in the judgment of the Trustees of the Free Public Library prior experience and training justifies such rate, and the authorization of the Board in such cases shall not be required.

(k) The Board shall make an annual report in writing to the Board of Selectmen and the Finance Committee not later than the fourth Monday prior to the first business meeting of the Annual Town Meeting.

SECTION 4. CLASSIFICATION PLAN

(a) All positions in the service of the Town except those excluded by Section 1 are hereby classified by titles appearing in Schedule A of Section 7 which is made a part hereof. These classes of positions shall constitute the classification plan for paid Town services.

(b) The title of each class, as established by the classification plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(c) The title of a position which is held by an employee with a dual or a multiple Civil Service rating shall be that recommended by the employee's department head, or by the administrative authority having jurisdiction over the organization unit to which the employee is assigned.

(d) Whenever a new position is established, or the duties of **an existing position** are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class.

(e) No position may be reclassified until the Personnel Board shall have determined such reclassification to be consistent with the classification plan.

SECTION 5. COMPENSATION PLAN

(a) The compensation plan shall consist of Schedules B, C, D and E of Section 7 which provide minimum and maximum salaries or wages for certain of the classes in the classification plan. The **salary range of a class shall be the salary range of all positions** allocated to the class.

(b) Each employee shall continue to be paid on the same basis as in effect at the time of adoption of this by-law unless otherwise provided in the compensation plan.

(c) No administrative authority shall fix the salary of any employee in a position in the classification plan except in accordance with the compensation plan.

(d) No person shall be paid as an employee in any position subject to the provisions in the classification plan under any title other than those appearing in Schedule A of Section 7.

(e) An employee in continuous employment in a class appearing on Schedules B, C, D or certain grades of Schedule E of Section 7 shall receive the increment between his present rate and the next higher step rate as follows:

- (1) Beginning with the pay period following completion of twelve months service at the minimum or other rate if a rate other than the minimum is authorized as his hiring rate.
- (2) Thereafter twelve months from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his class is assigned.

(f) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4(c) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B or \$.05 for a position class assigned to Schedule D, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(g) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade following completion of twelve months at the rate resulting from the promotion.

(h) The employee who is transferred to a similarly rated or to a lower rated position for the convenience of the Town, shall enter the new position at his rate in the position from which he is transferred.

(i) Each administrative authority shall include in its estimates, required by the provisions of Section 59 of Chapter 41 of the General Laws, a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

SECTION 6. AMENDMENT OF THE PLANS

(a) The classification plan and/or the compensation plan and/or other provisions of this by-law may be amended by vote of the Town at an Annual Town Meeting in the same manner as other by-laws of the Town may be amended. However, no amendment shall be considered or voted on by Town Meeting unless the proposed amendment has first been considered by the Board and the Finance Committee.

(b) The recommendation of the Personnel Board as to a proposed amendment to Chapter 10 shall be made to the Town Meeting before a vote is taken thereon. A proposed amendment must be

submitted to a Town Meeting substantially as presented to and as heard by the Personnel Board.

(c) Similarly the Finance Committee shall report to Town Meeting as a part of its estimates of Town expenditures the impact of a proposed amendment which is approved by the Personnel Board together with such recommendation or recommendations as the Finance Committee deems expedient.

(d) The Board, of its own motion, may propose an amendment to the plans or other provisions of this by-law based on its findings resulting from its investigations as provided in Section 3(h).
